Dear Admiral Hiller		
Just a note	to thank you very m	much for your very great
kindness in writing	g to Admiral Barbey	and Captain Neale. Please
forgive me for not	thanking you long b	before this, but, some how
or other, your lett	ter got into my answ	wered instead of my unanswered
file.		
I wish you w	vere coming on the c	cruise with us. Perhaps, one
of these days when	you have retired we	e can make it, but I am afraid
that I will be so b	pent by then that th	he only cruise I will be able
make will be in the	e deck chair of an o	ocean liner.
Thank you ag	gain.	
With kindest	regards,	·
		Very sincerely, STAT
